## On JPC Newsletter Cover Page **LENTEN PRAYER FOR SPIRITUAL RENEWAL**

God, heavenly Father, look upon me and hear my prayer, during this holy Season of Lent.

By the good works You inspire, help me to discipline my body and to be renewed in spirit.

Without You I can do nothing.

By Your Spirit help me to know what is right and to be eager in doing Your will.

Teach me to find new life through penance.

Keep me from sin, and help me live by your commandment of love.

God of love, bring me back to You.

Send Your Spirit to make me strong in faith and active in good works.

May my acts of penance bring me Your forgiveness, open my heart to Your love, and prepare me for the coming feast of the Resurrection of Jesus.

Lord, during this Lenten Season, nourish me with Your Word of life and make me one with You in love and prayer.

Fill my heart with Your love and keep me faithful to the Gospel of Christ.

Give me the grace to rise above my human weakness.

Give me new life by Your Sacraments, especially the Mass.

Father, our source of life, I reach out with joy to grasp Your hand;

let me walk more readily in Your ways.

Guide me in Your gentle mercy, for left to myself I cannot do Your Will.

Father of love, source of all blessings, help me to pass from my old life of sin to the new life of grace.

Prepare me for the glory of Your Kingdom.

I ask this through our Lord Jesus Christ, Your Son, who lives and reigns with You

and the Holy Spirit, one God, forever. Amen.

## **From the Executive Manager's Desk, by Rachel Miers**

Hello,

While typing my report, I noticed that we are in the middle of the season of Lent. Lent is known as the season of preparation for Easter (40 days before Easter), starting on Ash Wednesday and finishing before Easter. This also allows us time to reflect within ourselves, family & friends.

Katrina has been kept busy planning lots of activities for this year and if you would like to know more of our activities or any upcoming events, do feel free to contact Katrina [k.mynard@jpc.org.au](mailto:k.mynard@jpc.org.au). Everyone is welcome to join in any of the activities.

You are welcome to attend JPC Annual General Meeting (AGM) on Wednesday 16th April at 3pm. There will be light refreshments afterwards. JPC Board would like to invite people who may be thinking of joining the Board.

JPC now emails a pdf copy of JPC Newsletters to over 160 readers and prints 640 newsletters three times a year and in addition, Facebook to our followers. I encourage everyone to make sure JPC has your email address so you can be included in the distribution list. If you wish to receive newsletter in print, please do send in a contribution of \$10 per year. Please do fill in the subscription form at the back of this newsletter and send it to Gail Finn [g.finn@jpc.org.au](mailto:g.finn@jpc.org.au)

If you are happy or know of someone who may be interested in advertising in our JPC newsletter, the cost will be \$ 30 for one year (3 newsletters per year). The advertisement can be the size of a normal business card. If you do need more information, please do send me an email [manager@jpc.org.au](mailto:manager@jpc.org.au)

Already a quarter of the year has gone and Easter coming. I can see the hot cross buns (especially chocolate ones) and Easter eggs decorated in AFL footy colours in the supermarket shelves. On behalf of JPC Board and staff, we would like to wish you all a Happy Easter and enjoy your lovely holiday.

Rachel

#### *The Mysteries of Life*

As I write this, all the news is about the missing Malaysian Airlines plane. At this stage, nobody knows where it is. Some aircrafts are searching far out in the Indian Ocean; others are searching up in Asia. The great mystery is, after ten days, where is the aircraft. Despite all the technology we have, the aircraft is still missing.

It's making me think how there are many things in life that we can't control. There are everyday things like the weather, and more serious things like sickness. Last week I met a 50 year old man who has terminal cancer. There is nothing the doctors can do to stop the cancer.

Today, as I write this, I am also preparing for a memorial service for Francene Ross, an ex-Portsea student, who died aged 48. These are some of the great mysteries of life — things like sickness, facing the future and death.

Lent is a time to think about these big mysteries of life - where our lives are going and what is really important in life. Lent starts with Ash Wednesday. We use the ashes to remind ourselves that our lives are limited and one day will end. Lent challenges us about what is important in our lives. What kind of lives do we want to live? Do we live for ourselves or do we live for others and for God?

There are three traditional things over the centuries that Christians have done in Lent. They are prayer, fasting and helping the poor. The aim of these three things is to make us aware of others. Doing something to help people less fortunate than ourselves obviously makes us think of others. But so does fasting. If we go without some food and feel hungry for a few hours or half a day, we can then start to think of people who will go hungry for a few days, or go hungry every day. Prayer is also a way of becoming aware of others. Prayer obviously makes us aware of God, and of our relationship with Jesus.

But praying for the needs of others also opens our hearts, makes us less centred on ourselves, and more aware of other people and their needs.

Even though Lent might be nearly over, there is still the opportunity to start opening our hearts more by praying, fasting, and helping the poor.

## **Congratulations to Rebecca Miller as a Lay Chaplain**

The diocese of Wollongong, NSW has appointed a new chaplain to the Deaf community on 9th February, 2014. She takes a place from Fr. John Pickering who retired as a chaplain last year. Bishop Peter Ingham gave her special blessing for her new role as a lay chaplain to the Deaf community in the area of Illawarra. Rebecca is a well-known to John Pierce Centre's community as a manager before moving to Wollongong in 2011.

## **I.T Corner iPad / iPhone**

### **Reboot the iPad / iPhone**

Is your iPad running slow? Reboot it.

Does an app quit every time you launch it? Reboot it.

Did you know you can solve more problems with the iPad by simply rebooting it than any other troubleshooting step?

To really give your iPad a fresh start, you can reboot it by following these quick steps:

- 1) Hold down the Sleep/Wake button for a few seconds.
- 2) When the iPad prompts you to slide a button to shutdown, follow the directions.
- 3) Wait a few seconds after the screen goes blank and then hold down the Sleep/Wake button again to boot it back up.
- 4) When you see the Apple logo appear, you can release the Sleep/Wake button. The iPad's home screen will appear momentarily.

### ***Mass For You At Home***

#### **By Gabe Noonan**

Well, it is back to the office again, after a very busy & "warm" summer !

Once again, we had an interesting time in early January, recording the Masses at Channel 10 for the year's programming of Mass For You At Home. It was lovely to enter into the cool studios to film as the temperature outside was soaring !!

Every day the people who are on "camera" have their make-up done (men & women), and the studio is set-up with the Altar and chairs, so it feels like a Chapel. The lighting, sound and set need to be organised to look just right. The Priests have a tough job to celebrate Mass under the lights & preach their homilies without sounding nervous.

Maree Gilbert & Rosa work very hard getting all the altar set-up, with wonderful support from long-time participant, Bruno Broglio. Bruno has been a part of the MFYAH family for 25 years, working very hard supporting the Priest, Interpreters and the Channel 10 staff. This year Bruno decided it was the right time to resign from the screen and his dedication was recognised by the staff and participants at Channel 10.

Bruno was farewelled on TV by Fr Greg Bourke and you can see this on the Mass on Sunday 4<sup>th</sup> May. Bruno was also presented with a lovely glass plaque, acknowledging his 25 years of service to MFYAH.

On the last day of filming, Sr Janette Murphy was also presented with a bunch of flowers for all her hard work in supporting the programme, both as an interpreter and sharing her knowledge. Sr Janette has moved to Tasmania to continue her work down there.

We were lucky enough to have two interpreters travel down from Sydney, Nicole Clark & Chevoy Sweeney. They interpreted the Masses for three days, so there will be many people in NSW happy to see their interpreter's faces on the TV. We were also very well supported by our Melbourne based interpreters, who did a wonderful job.

I would encourage anyone who is interested in participating in this programme next year to let me know, as we are always open to more people in the studio and congregation.

Channel 10 record this programme as part of their community service, and John Rowland (Rowlands Productions) has, for many years produced a lovely programme. We hope and pray that we can continue to celebrate Mass For

You At Home in the years to come, as it provides such a connection for those who are unable to leave their homes to go to Mass.

Many thanks to Fr John Hill for all his support and advice with this worthwhile programme.

### **Community Activities**

**By Katrina Mynard**

#### **Deaf Art**

Fridays is one of my favourite days. This is my day to sit and relax and talk to those who attend while they work hard making their art work. With their teacher Magdalena who is now volunteering her time, it is great to see that they are learning more each time they come and for them to do lots of different things.

In the coming months, Rachel and I are hoping to recruit a few ideas outside. We are still researching and hopefully to get the ball going by Term 2.

#### **Dates for Term 2:**

May : 2nd, 9th, 16th, 23rd, and 30th. June: 6th, 13th, 20th and 27th. Term 3 in 2014 starts 18th July.

### **Ladies Day Out**

This is becoming popular, with all the ladies now giving me ideas about places to go and visit.

In December last year, we all enjoyed and caught up with all the people, we sat down and had lunch at Flinders Clock before they all headed back to their busy lives with families. Some of them were planning holiday trips, and this gathering to me is important, so that I know when they are away and when they come to JPC.

But in February, Monica organised to go to the Melbourne Star Observation Wheel and 20 of us turned up. It was a good, perfect warm day. We ended up at the Harbour Bistro for lunch, another great gathering to catch up on some news as I hadn't seen them for 8 weeks.

### **Wombat Craft Group**

This group has decided to do it on a monthly basis rather than twice a month. For you to remember when to come, its easy, it will always be first Wednesday of each month. So come along and meet them and see how they make things.

#### **Dates:**

2nd April

7th May

4th June

2nd July

6th August

### **Deaf Men's Group**

Last Year before Christmas, the men organised to go on a River Cruise from Melbourne Yarra River to Williamstown. Once they got off there, they wandered around and had some lunch. It was a very warm day, but they managed to look after each other.

This year, some days fall on a public holiday and when that happens, the Men will come here on a Tuesday.

However, I'm pretty sure things are ok for the usual fortnights on Mondays, except for Easter Monday, (April 21<sup>st</sup>) so they will come on Tuesday 22<sup>nd</sup> April.

Seeing all the men that come in regularly is wonderful. They are such a bunch of cheeky, laughable men and they really enjoy their group. It shows they really want to come here and enjoy time away from home.

Dates: April– August

(Every second Monday 10am—2pm)

April: 7th (Monday) and 22nd (Tuesday)

May: 5th and 19th

June: 2nd, 16th and 30th

July: 14th and 28th.

August: 11th and 25th

### **Porepunkah Reunion**

**By Katrina Mynard**

With lots of support from Fr Peter Robinson, Ken and Genie Mynard, Maree Hynes and Ann Darwin, this event made Fr Robinson a very happy man on the day. We would also like to acknowledge and thank Mark, Teresa and Karen who helped interpret on the day and made the day very easy for all of us. Fr Robinson was full of delight, and seeing him with a big grin on his face throughout the day, truly showed that he was so over the moon in seeing all the people that he had not seen for ages.

It was a true Reunion in every sense of the word. Fr Peter had said that he has been attending many funerals and at almost every funeral many people approached him asking him to consider organising a Porepunkah Reunion. So

this reunion was organised and he was hoping for anyone who had any contact with people who went to Porepunkah to “chase them up” and encourage them to attend the reunion.

He truly believed that this event was going to be special.

After a few bumps along the way, with a cancellation due to his health, the reunion still went ahead because Fr Robinson strongly believed “it’s all or nothing” and that this reunion had to happen. So everyone got in contact with all those people and ensured everyone knew it was back on, it was a great effort from all of us.

There were also so many photos up on the wall, Ann Darwin and Maree Hynes made this happen. Many people were pleased to see many old photos. We also celebrated Fr Robinson’s 81<sup>st</sup> Birthday on this day.

I thank everyone for attending this day and it was easy to see how happy it made Fr Robinson . It made his day really wonderful/perfect. He also mentioned another special event. He will be celebrating 50 years of being a priest in July this year. Who knows – another party!

### **Christmas Rally 2013**

**By Gabe Noonan**

Our Christmas Rally in December last year was a very successful day. Approximately 90 people attended. We celebrated Mass with Fr John Hill at 11 am, with many deaf and hearing people there. Fr John spoke of the special time shared at Christmas, and the importance of slowing down to appreciate our lives, each other and the love of the baby Jesus.

When Mass was finished, the people moved outside to catch up with each other, and the staff arranged the Centre with tables, chairs and decorations , ready for a yummy lunch !

This year we had a catering company cook and provide a lovely roast lunch, with many options to choose from. The meat was very tasty & the salads fresh. JPC provided yummy desserts for all to share.

When lunch was finished, everyone enjoyed sitting around chatting & laughing with old friends. We had a raffle for the day, and of course Santa visited, much to the delight of the children.

The day went very quickly and the deaf were keen to stay & relax, BUT we (staff) had to kick them out in the end..... :)

##### ***John Francis (Jack) Miller, 3rd May 1924 – 17th January 2014, By Margaret Urquhart***

The community of John Pierce Centre is saddened by the loss of a wonderful person who spent many years working for and helping JPC in its early years.

That person is Jack Miller who passed away in January 2014.

Jack was a retired secondary school principal who read in his church bulletin that JPC sought the services of a voluntary manager. And so, he began at Ripponlea in 1986 and continued as business manager until 1996, by which time we had moved to Prahran.

As well as his managerial work, Jack was Company Secretary for at least 10 years.

He was a much respected, admired and loved member of JPC. He worked quietly and efficiently and certainly helped keep the centre afloat because in those early days, finances were very limited.

Jack continued to attend the AGM and the thankyou party for many years ,after his retirement.

One of the last jobs Jack did for JPC was to sort out all the finance papers, before we moved across to the refurbished church building. Jack did this particular job with Bryan A'Hearn (deceased) who was a founding member of JPC and long time chair of the Board of Directors.

So, we give thanks for Jack's wonderful work and for his truly wonderful self.

Rest in Peace

##### ***Francene Julie Ross, 21st August 1965 – 22nd February 2014, By Mikala Grosse***

Francene was born in Victoria on the 21st August 1965. She was placed into the care of the sisters at St Mary's School for the Deaf in Portsea, in particular Sister Francesca, as a baby and at about six years of age Francene became the much loved 'chosen' daughter of Ron and Rosina Grosse. About six years later she also became an adored big sister and hero to her new baby sister Mikala.

In 1980 the Grosse family moved to Wagga Wagga and Francene continued at St Mary's as a boarder. Upon completing her secondary studies she spent her time between working and studying in Wagga Wagga and Sydney. She was a regular at Deaf Society meetings and social events which is where she met Donald Ross whom she married in Wagga Wagga on the 27<sup>th</sup> January 1990 after a short courtship. The couple continued to live and work in Wagga Wagga where Francene gave birth to their daughter Louise and son Aaron.

After losing her mother Rosina to Leukemia in November 1999 and her sister Mikala moving to Tasmania in 2006, Francene and Donald moved their family to Gosford to be closer to Donald's family. She again became actively involved with their local deaf community whilst continuing to stay in contact and attend regular reunions with her old school friends.

Francene and Donald have in recent years been blessed with the marriage of Louise to her husband Matthew and the birth of three beautiful granddaughters Ruby, Bella and Ava. Ava arrived just two days before Francene's sudden passing but fortunately got to meet her doting grandmother the day before she died.

Francene was a kind, caring and thoughtful person who was valued and adored by all her family and friends.
