

Prayer Series #07

Prayer about the Beauty of Our World

Loving God,

You made our world beautiful, blessed.

Help me to see and enjoy the parks and gardens
where children play and people walk their dogs.

Open my eyes to see the beauty in my life.

To appreciate your caring hand in the trees, flowers, animals, birds.

Allow me to breathe deeply the fresh air when I go outside.

Let me see beauty everywhere I go, all I see around me, in every person I meet.

Help me, as a Deaf person, to know your love for me, the many blessings you give me.

Allow me to share your love with my family, my friends, all people I meet each day, and to
show your smile to others.

Help me to bring joy and peace to all situations, and help me be a compassionate,
forgiving presence.

I pray in thanks for your many gifts in my life.

Amen.
