

## **Prayer Series #08**

### **Prayer in this Covid-19 Time**

Loving God,

I start today by turning my mind to you. We are still at the Stage 4 lockdown in Melbourne. Yes, we are being tired of being lockdown. I know you are present and ready for me to acknowledge you in prayer today.

You have given us the gift of life and the gift of breathing. Thank you. If we cannot breathe, we do not have life!

You have given us the gift of family and friends who support us and love us. Maybe we can only see them on FaceTime, Messenger or Zoom

- Help us to greet them with kindness and love.
- Help us to enjoy with them and celebrate with them and give them with hope - even if we can't see them in this Covid-19 time.
- Help them to be strong in their lonely times or when they are sad.

We know you are with us. I am glad I can turn to you. Thank you.

May Mary, your mother, pray for us.

Amen.

May the
