

## Prayer of Trust

Dear God,

We trust you are with us always and that you give us courage to make good decisions. Allow us to know what is best for all people, and to know what you desire from us.

May you enable us to commit to our responsibilities with a heart full of love. Allow our faith and trust in you to guide us in seeing more clearly those in need around us.

Help us to learn from our mistakes and trust in the life you have planned for us. Allow us to act with compassion towards the mistakes of others, and to never judge them unkindly.

Give us the strength to be hospitable to our families and communities. Allow us to act with trust in your constant presence, and to rest in your forgiving arms.

Bless us, gracious God, today, tomorrow and into the future.

Amen.

Trusting God in Difficult  
Times
