

### **Prayer of Hope**

Good morning everyone, Before I say today's prayer, I myself and John Pierce Centre's staff found out that Elizabeth Gray is still alive and well at Regis (Lake Park). We are very sorry to mention of her wrongful death a few weeks ago. Please be careful when you hear the gossip of someone's death and spread the untruthful news around. I am glad to see Elizabeth alive and well. May God bless her.

Now prayer for this week is a Prayer of Hope:

Father, help us get our focus back to you.

We know we need to stop dwelling on our hurts and frustrations.

Also help us to stop worrying over the continued COVID onslaught which spreads the community quickly recently.

Give these sick people strength and healing back into a good health.

Help us to be strong and be filled with hope.

Help us be faithful in prayer and put our love in you.

May the Holy Spirit guide and comfort and strengthen us.

In Jesus' name, Amen.

*The Lord is on  
my side; I will  
not Fear!*

**Psalm 118:6**
